Fee and levy information - Catholic Colleges

Building Levy – Each family will be charged a building levy of \$538.00 per year in conjunction with normal school fee billings except where families have children attending Diocesan Catholic primary schools. As this amount forms a collectable part of school fees no tax deduction is possible.

School-Based Levies: School-Based Levies are charges for curriculum resources, library books and printing levies. These levies are set by the School Board – to be no greater than 25% of the non-discounted tuition fees per student.

Specific Purpose Charges: Additional charges may apply for specific purposes e.g. travel and accommodation related to school field trips and camps, excursions and transport to swimming pools etc. As well, some secondary subjects require additional charges for materials used, e.g. Food and Textiles Technology, Industrial Technology and Design etc. These costs are additional to School-Based Levies.

Parents & Friends Levy: Parents and Friends' (P&F) in consultation with their school community and School Board charge a P&F levy in lieu of significant fund raising. The levy is not included in the 25% limit for General Levies.

Technology Capital Levy: Schools may charge a Technology Capital Levy of \$105.00 per student up to a maximum of \$210.00 per family. This levy would not be included as part of the 25% as in General Levies.

In situations where a family has two or more children across Catholic Primary Schools and Colleges, the priority for payment of the levy will be given to the Catholic Primary School. The levy is to be used strictly for technology capital purposes at the school level.

School Fee Assistance: If you require further assistance, Catholic Education's policy states: "No students should be excluded from a Catholic school because of the inability of their parents to pay the prescribed fee - in whole or in part."

Families may be eligible for school fee assistance under the Concession Card Tuition Fee Discount and/or the Principal's Concession Scheme.

Concession Card Tuition Fee Discount: A 70% Tuition Fee Discount is available for 'means tested' government Health Care and Pensioner Concession cards. These cards must meet eligibility criteria for this concession to apply.

Principal's Concession Scheme: Total or partial exemption from the payment of fees and levies is available on application to the Principal to ensure that confidentiality is maintained.

For further information please contact the Finance Office. A payment schedule can be calculated on request.
