CQUniversity QISSN Carnival

Sunday 26th June – Friday 1st July
2022

“Life gives
many
opportunities
for all to
achieve goals”

Mercy / St Patricks College Host School Newsletter

Janelle Agius - Principal

St Patricks/Mercy College Mackay are proud to Host CQU QISSN & QISSRL in 2022. In an environment that creates a web connection of teamwork, starting with our own team and then reaching further out to others. A magical connection of the game. Mercy College is a Yr 7 – 10 Catholic co-educational College established in 1987 and situated in South Mackay & St Patricks College is situated on the blue Pioneer River close to the central shopping precinct and facilities. St Patricks fielded a team in the inaugural 2000 QISSN competition in Bundaberg.

“Playing the Game” for all of us in this competition can give us many life skills and messages. To be focussed on your centre core values and be aware of any obstructions you may encounter until you reach your desired goal. To give it all you have until the whistle blows.

In life as a player, you will come into contact with many people and situations, some you will dodge, some you will connect but you must remember your goal. To do the best, to step forward and aim higher. To remain resilient and keep within the rules of the game will give you integrity as your reward.

I wish all players in the comp to remember to “Play the Game”.

Mrs Janelle Agius | Principal

General Information from the Convenor

The 2022 CQUniversity QISSN/QISSRL Carnival is being hosted by Mercy College/St Patrick's College with QISSN at Multisport Stadium 107 Juliet Street South Mackay and QISSRL across the road at BB Print Stadium. We look forward to having you all in Mackay and hope for a successful carnival.

Opening Ceremony Sunday 26th June TBC

We are looking forward to welcoming everyone to the combined CQU QISSRL/QISSN Opening Ceremony at Mackay Showgrounds 24 Milton Street, Mackay, QLD 4740. The expectation of CQU QISSN is that all schools will attend both the opening and closing ceremonies.

Coaches & Managers Meeting Sunday 26th June

At the conclusion of the Opening Ceremony, we ask that Coaches, Managers and Captains remain at the Showgrounds for a briefing before the competition's commencement on Monday 27th June.

Annual General Meeting Wednesday 29th June 5pm-6pm

The AGM will take place at Harrup Park Country Club, 89 Juliet Street, South Mackay (just up from Multisport Stadium) at 5.00pm, prior to the Executive Cocktail Function.

Executive Function Wednesday 29th June 6pm-9pm

The Executive Cocktail Function is complimentary and is an opportunity to thank participating Coaches, Managers, QISSN Executive, School & College Staff, Leadership members and sponsors for their commitment and support in supporting the Carnival.

Photography and Live Streaming

CQU QISSN will provide a livestream facility to help share the carnival experience with friends and family. All teams will be livestreamed at some point throughout the carnival when playing on the Show Court.

Boys Competition

Boys netball continues this year with 8 boys teams.

Food Vendors

There will be a wide variety of food options available throughout the five days of Carnival. These include permanent canteens on both sides of the road as well as several coffee and cake options, gluten free options and drink stalls.

Healthy Team Catering

There will be a health lunch pack options for teams to pre order. Further newsletters will have an order form attached if you wish to get your orders organized early. This will also help our food prep for the week.

Struddys at QISSN

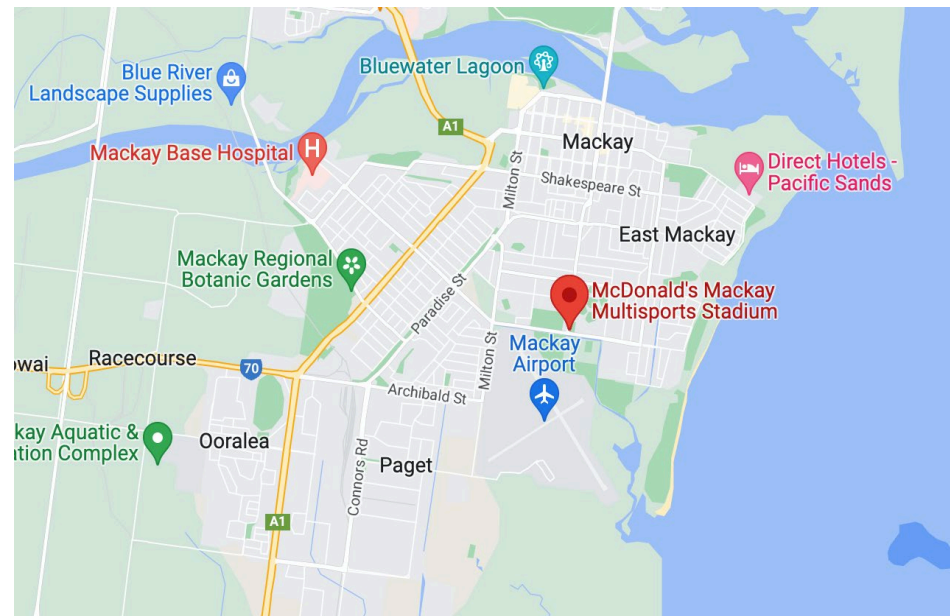

Struddys, the official CQUniversity QISSN carnival merchandise will be conveniently located directly outside Courts 1, 2 & 3. Closer to the carnival, Struddys will include links to their website for merch pre-orders.

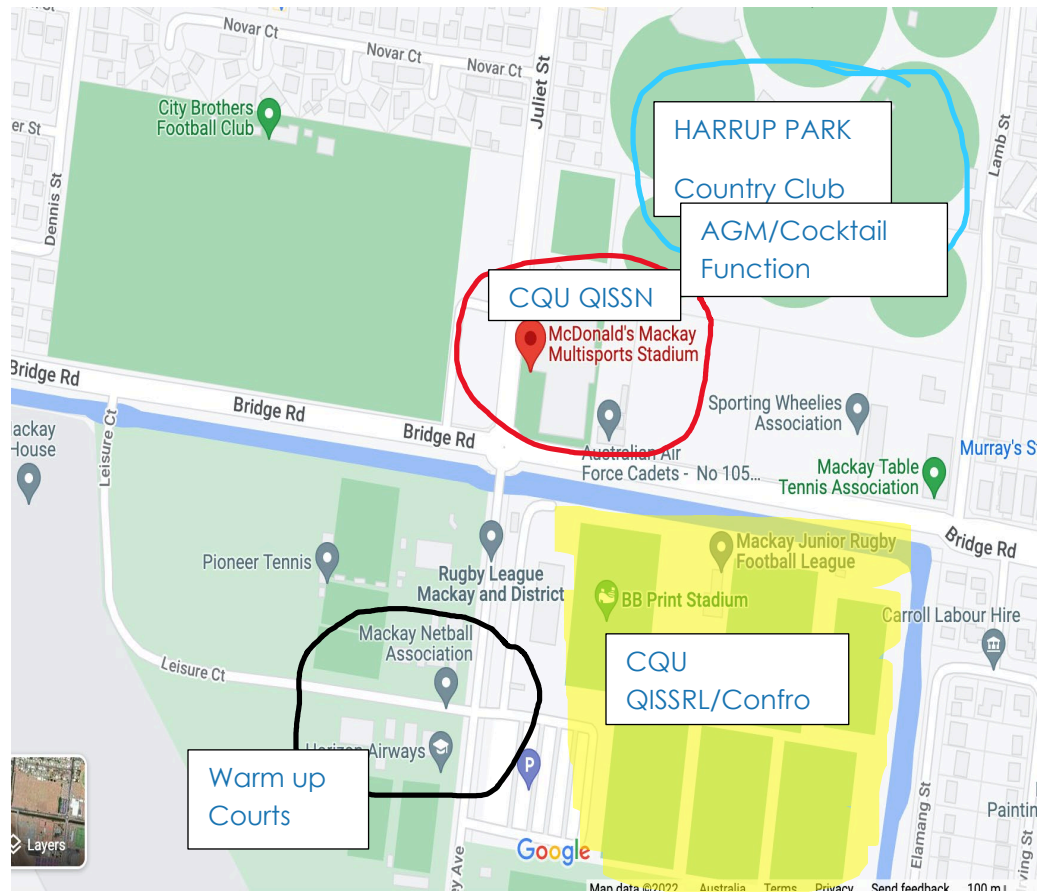

Multisports Stadium
107 Juliet Street Sth

Location Map

Overview

Parking

Parking & traffic control is extremely important for the duration of this Carnival. Multisports stadium have approx. 150 car spaces and more grassed areas will accommodate overflow. There will be a designated Bus Parking area for both QISSN & QISSRL
