FROM THE PRINCIPAL

It is hard to believe that the end of this school year has arrived! Amongst other things, this means that this is the last newsletter for 2024.

I take this opportunity to thank our teachers and support staff for the energy, commitment, and expertise that they bring to our college each day. I know that this dedicated group of men and women work to ensure that each student has the opportunity to enjoy quality learning experiences as well as the opportunity for personal and spiritual growth.

I congratulate our students for their perseverance, dedication to their studies, and their achievements this year. With exams and assessment tasks completed, Years 10, 11 and 12 students finished, there is a tangible sense amongst the Years 7, 8 and 9 students that holidays are imminent.

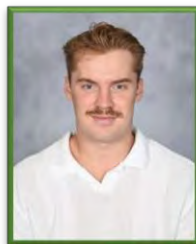

The end of the school year is also a time when we farewell those who are leaving Chanel – students and staff alike. We send our best wishes with those members of our community who are moving home, town, state (and, in some instances, country) and hope that they settle readily into their new environments.

In particular, this year we are farewell the following members of staff who are leaving our community:

- Mr John Shield – teacher
- Mrs Tahlia Richardson – Student Reception
- Mr Jacob Downey – Teacher Assistant

Staff who will be on leave at the beginning of next year:

- Mr Mark Davis will be on Long Service Leave
- Mr Nelson Rose will be on Long Service Leave
- Mrs Paula Staunton will be on Long Service Leave

We extend our best wishes to our colleagues who are leaving and those who will be on leave. We thank them for their generous service in our community and pray that God will bless them as they embark on their next adventures.

Finally, as we prepare to celebrate this Holy Season in our Liturgical Year, I would like to wish all parents, students, and friends of Chanel a happy and holy Christmas. I also wish all students and staff members a safe, relaxing, and refreshing holiday. May you and your family be truly blessed.

Graduation Mass and Assembly

Week 7 was a huge week at the College! The week included a number of Award Assemblies and our Graduation Mass and Assembly on the Friday. It seems like just yesterday that our Year 12 graduates were fresh-faced 12-year-olds beginning their journey here. We congratulate all of our Year 12 graduates. May you go with our prayers and best wishes! We thank our special guests for being with us at Mass on Friday and especially, Most Reverend Bishop Michael McCarthy, Fr Andrew – Parish Priest and Fr Peter – Assistant Parish Priest, Mr Michael McCusker (Diocesan Director Catholic Education, Diocese of Rockhampton), Mr Stephen Dale (Assistant to the Director – Schools, Southern Region, Diocese of Rockhampton), friends, teachers, parents, grandparents and caregivers. We especially thank Bishop Michael for presiding at our Mass. It was a lovely day of celebration.

Student Formation

This year, the Year 10 cohort embarked on an amazing retreat in Yeppoon at the PCYC, Cooee Bay. Over the course of the retreat, we engaged in various activities that not only strengthened our teamwork abilities but also promoted a deeper respect for others and encouraged us to step outside our comfort zones. Among the standout experiences were the high ropes course and team initiatives. These challenges forced us to rely on one another and create trust and friendship within our day groups.

As we navigated ropes and overcame obstacles, we discovered the value of supporting each other and facing challenges together. Throughout the retreat, the teachers from both groups worked side by side with the students to guide, encourage, and create a safe and supportive space for all, allowing for leadership skills to develop. As the first day concluded, we came together with a reverent liturgy in honour of the retreat, to live justly, respectfully, and with compassion. In the morning, the cohort rose early and witnessed the new day on the beach. It was an enjoyable occasion for all and a memorable experience. Thank you to Ms Bourke and the teachers for an amazing few days!

Middle Years Student Leadership

The 2025 Middle Years Student Leaders were announced at the Year 7 – 9 Academic Awards Assembly. These students (listed on the following pages) will begin in their role as leaders in 2025. We congratulate students who take up this important leadership role and all students who nominated for a position to serve our College.

We also take this opportunity to thank all members of our 2024 Student Representative Council. Your contributions have been invaluable, and we thank you for serving our community. We look forward to announcing our 2025 SRC at the Opening Mass in 2025 and commissioning all 2025 Student Leaders.

A Final Thank You

Mission at Chanel College depends on the generosity of many people – whether it is a donation of goods for appeals held this year, cooking and baking for cake sales, donating second-hand uniforms, cooking sausages and serving meals for retreats, delivering students to venues, prayer support or participation in special events – we say thank you to students, staff, families and the wider community as you reached out to others, 'Peace Be With You' and as you lived our College motto – 'To Live Justly'.

My prayer is that all within our community have a wonderful Christmas with family and loved ones. Stay safe and I look forward to seeing you again in 2025.

STUDENTS

As we approach the end of another fantastic year, I would like to take a moment to reflect on our achievements and share some exciting news and upcoming events. Firstly, a huge congratulations to Stella Maris for winning the Champion House title for the second year in a row! Your dedication, teamwork, and spirit have truly shone through, and this victory is well-deserved.

In Week 10, our pastoral team has organised a series of activities for Years 7 to 9. This is a wonderful opportunity for us to come together as a community and celebrate the year's accomplishments. Highlights will include a half-day End of Term Pool Day, the House Challenge Cup, and various Christmas activities. These events are designed to foster reflection, camaraderie, and festive cheer as we wrap up the school year.

Celebrating Success

Congratulations to the following students who won the Celebrating Success gift vouchers in Term 4:

\$25 gift voucher – Saxon M (Year 7), Hayley A (Year 8), Dylan V (Year 9), Charlette W (Year 10) and Abbie C (Year 11)

\$50 gift voucher (whole school winner) – Matthew D (Year 7)

The Celebrating Success program recognises students who have demonstrated exceptional effort and achievement throughout the year. Well done to our final recipients for 2024 and the outstanding contributions you have made to our school community.

I would like to extend my heartfelt thanks to everyone in our school community for making this year so memorable. As we look forward to 2025, I am excited about the opportunities and challenges that lie ahead. Together, we will continue to strive for excellence and create a nurturing and inspiring environment for all students as they strive to become respectful, responsible and resilient learners.

Wishing you all a joyful holiday season and a happy new year!

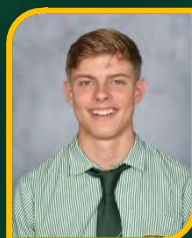

Congratulations

Keeping Our Teens Safe Online: A Call to Action for Parents

In recent months, there has been a surge in media coverage about inappropriate group chats involving teenagers. These incidents highlight the urgent need for parents to be vigilant about their children's online activities. The eSafety Commissioner has reported that a significant number of young people are engaging in risky online behaviours, including sharing personal information and interacting with strangers.

It is crucial that as parents, you are aware of the group chats your children are part of and that you regularly check the content being shared. This proactive approach can help prevent exposure to harmful material and ensure your child's online safety.

At Chanel College, we take online safety very seriously. According to our Behaviour Management Policy, any electronic recording, storing, forwarding, or posting of inappropriate material to the internet or other public forums is classified as a Level 3 Major Student Behaviour. Such actions can lead to serious consequences, including disciplinary measures from the College and potential referrals to police, depending on the nature of the information shared.

It is also important to be aware of the legal implications of sharing images without consent. The Queensland Police Service has clear guidelines on this matter. Sharing intimate images without consent is a criminal offence and can result in significant penalties, including imprisonment.

This law applies even if the image was initially taken with consent; sharing it without the person's explicit permission is illegal.

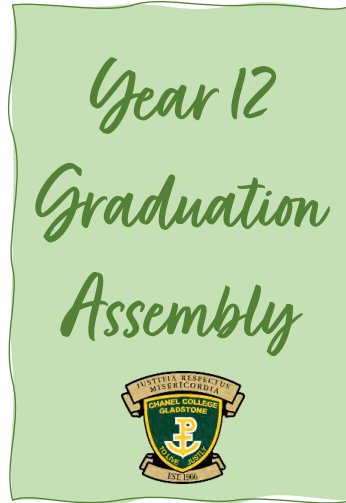

We urge all parents to have open conversations with their children about the importance of online safety and the potential consequences of their digital actions. By working together, we can create a safer online environment for our teens.

For more information and resources, please visit the eSafety Commissioner's website and the Queensland Police Service's guidelines on image-based abuse.

Stay safe and vigilant!

ADMINISTRATION

Mrs Kerrie Lisle
Assistant Principal
ADMINISTRATION

It has been an exciting and pride-filled past few weeks at Chanel College as students, parents, and teachers have gathered to celebrate the achievements of the 2024 school year. The annual end-of-year awards ceremonies showcased the dedication, talent, and hard work of students across a wide range of academic, co-curricular, and sporting pursuits. From Year 7 to Year 12, students were recognised for their exceptional contributions to the school community.

The Middle Years College Awards saw students from Years 7-9 honoured for their academic achievements. Students who received awards have not only shown academic aptitude but also the perseverance to overcome challenges and pursue their personal best. Congratulations! You should be extremely proud of your unwavering commitment to excellence in all that you do in the classroom.

The Co-Curricular and Sports Awards ceremony celebrated the diverse talents of students outside the classroom. Chanel College continues to place a strong emphasis on holistic education, and these awards highlighted the dedication of students involved in everything from performing arts to debating, leadership programs, and team sports.

The Senior Years College Awards celebrated the academic achievements of Years 10-12 students across a huge variety of subjects plus also included the presentation of a majority of the College's Special Awards. This event allowed the College community to give special recognition to its Year 12 students who have now begun to move on to the next chapter of their lives.

The culmination of the week saw the graduation of our 2024 Year 12 cohort who have shown resilience, passion, and creativity during their time here at Chanel College. November 15 was an emotional and exciting time for all with the hosting of the Year 12 Graduation Ceremony and Mass, held in the school's Marian Centre. We are confident these amazing young adults will continue to excel in whatever pathway they choose and extend our congratulations and gratitude on their academic accomplishments and contributions to their school community.

As Chanel College bids farewell to its Year 12 students and looks ahead, the school community is filled with optimism for the future. Chanel College remains committed to fostering a culture of excellence, nurturing young minds, and equipping students with the skills needed to thrive in a rapidly changing world.

The 2024 awards and graduation ceremonies are a testament to the hard work, dedication, and spirit of the Chanel College community. With a promising future ahead, these students are poised to continue making an impact in their chosen fields and beyond.

TEACHING & LEARNING

Report Cards

Years 7 to 10 report cards will be published in the Parent Orbit app, Parent Lounge and Student Café in Week 10.

In the report cards, students will receive a semester result and an overall result for each subject. The **Semester Result** is the grade achieved in Semester 2. The **Overall Result** is a grade for the entire year that reflects achievement against the Australian Curriculum achievement standards.

If you have any questions regarding your child's subject report or their current progress, please contact their teacher in the first instance. I encourage all students to use their report card feedback to set ambitious academic goals for 2025.

2024 Dux Awards

One of the first events for the 2025 academic year will be the opening College Mass and the presentation of the previous year's Dux awards. These awards are for students who have achieved the highest results in their year levels. In Year 12, the Dux is awarded to the students with the highest shared ATAR score. Year 12 students who achieve an ATAR score above 95.00 are also awarded the Chanel College Medal. We look forward to acknowledging the academic excellence of these students next year. The Opening College Mass will be held on Monday, 3 February, in the Marian Centre.

Thank you to everyone at Chanel College for their contributions during the 2024 academic year.

I wish all students, families, and staff a very safe and holy holiday period.

Every Day Matters

Recent data has shown a direct correlation between an attendance rate of 96-100% and higher academic achievements.

Our schools are welcoming, safe, inclusive centres of learning and are designed to promote student well being. Please contact your Head of House to discuss any factors that might be affecting your child's attendance and engagement at school.

**ACADEMIC PERFORMANCE
& TRANSITION**

Ms Jacqui Osborne
Dean of Students

As we approach the end of another remarkable year, I am proud of the dedication and achievements of our Middle Years students. This year has been a testament to their hard work and perseverance.

Our recent Awards Assembly, where we celebrated the outstanding academic achievements of our students, was a highlight of the year. It was pleasing to see so many students recognised for their hard work and dedication. Congratulations to all the award winners! Your commitment to excellence is inspiring.

Throughout the year, the Middle Years students have shown determination in pursuing their academic goals. Whether it was through late-night study sessions, group projects, or seeking extra help from teachers and teacher aides, their efforts have paid off. By being motivated and persevering, our Middle Years students went from good to GREAT!

A special mention goes to our Year 7 students, who have successfully completed their first year of secondary school. Transitioning to secondary school can be challenging, but our Year 7's have embraced this new chapter with enthusiasm and resilience. This year has also been about building new friendships and strengthening our sense of community. Being part of the Chanel family means supporting one another, and it has been wonderful to see students forming lasting bonds and helping each other grow. We are incredibly proud of how they have adapted and thrived here at Chanel.

As we celebrate the achievements of our current students, we also look forward to welcoming our new Year 6 students who will be transitioning to Chanel College next year. Some of our Year 7 students visited the Catholic Primary Schools talking about their first year at Chanel. The Year 6's enjoyed these visits and are looking forward to joining our Chanel family. We are excited to meet them all on our transition day.

Now that we are at the end of our school year, I want to extend my heartfelt wishes to all Chaneligans for a restful and blessed Christmas break. Take this time to relax, recharge, and enjoy the company of loved ones. We look forward to seeing you all refreshed and ready for learning in 2025.

Celebrating the Spirit of Christmas at Chanel College

As the festive season approaches, Chanel College is embracing the spirit of giving with a variety of meaningful activities and initiatives as listed below.

Supporting St Vincent de Paul

This year, Marcellin House leads the charge with its annual Christmas Appeal to support St Vincent de Paul. Between Weeks 5 to 9 of Term 4, students, staff, and families were encouraged to donate items to brighten Christmas for those less fortunate. Suggested contributions included non-perishable food, clothing, toiletries, toys, and other essentials. We wish to thank all those who gave so generously towards the Appeal.

In addition to this year's Appeal, Marcellin House sold Candy Canes for a Friend. During Weeks 5 and 6, students and staff had the opportunity to pre-order candy canes for 50 cents each. These sweet treats were delivered by Santa himself on Friday of Week 6. It was great to see so many smiling faces, but also know, we raised an additional \$200 for St Vincent de Paul!

Christmas Friday Festivities

To celebrate the season, the Marcellin House Captains hosted Christmas Friday in Week 6, with students encouraged to join in the activities organised during first and second breaks.

The activities included Christmas Karaoke where students sang along to favourite Christmas Carols during first break and Christmas Card Making in the Art Room at second break. These events were a wonderful opportunity for students to share in the joy of the season while creating lasting memories.

HEADS OF HOUSE

Embracing the Season of Giving

Christmas reminds us of the importance of compassion and generosity. At Chanel College, we aim to instil these values in our students through meaningful acts of service and community support. By participating in our Christmas initiatives, we are not only helping those in need but also reinforcing the true meaning of the season—giving with open hearts.

Thank you for being part of our Chanel College community. Wishing all families a safe, joyful, and blessed Christmas season!

“

By giving generously, we can make someone else's Christmas as joyful and fulfilling as our own.

Farewell Class of 2024

On Friday, 15 November, we came together as a school community to celebrate and say farewell to the exceptional Class of 2024. The day began with heartfelt House Assemblies, where students reflected on their journey and shared final moments with their House family.

Following this, the community joined in a beautiful Graduation Mass led by Bishop Michael, a time to give thanks for the achievements of our Year 12 students and to bless them as they embark on the next chapter of their lives.

During the formal presentation, each graduate was awarded their Graduation Stole, a symbol of their resilience, growth, and the legacy they leave behind at Chanel College.

The day concluded with a moving guard of honour, where the entire school lined the pathways to applaud and celebrate the Class of 2024. This was followed by an unforgettable final Year 12 Chanel College Wacry – a spirited farewell that will echo in our hearts for years to come.

Congratulations, Graduates of 2024! We are so proud of you and wish you every success for the future.

End of Year Reflection and Gratitude

As we approach the end of another successful year, we extend our heartfelt thanks to all parents and carers for their unwavering support. Your collaboration with our pastoral team has been instrumental in helping students grow academically, socially, and emotionally. Together, we have nurtured an environment of care and encouragement that is vital to their success.

We wish you all a safe and merry Christmas and New Year period. All the best and see you in 2025!

Thank you from the Pastoral Team:

Mr Ismael Arrarte, Mrs Rachel Shailer, Dr Vikki Potts, Ms Jacqueline Nicholls and Mrs Georgia Reynolds

Family Holiday Cheer

The holiday season can be a magical time filled with twinkling lights, festive cheer, and, most importantly, family. It is the perfect opportunity to unplug, unwind, and reconnect with loved ones. Take the opportunity to connect and reflect as a family on the opportunities and challenges 2024 has offered, as well as having some fun together and enjoying each other's company!

Suggestions for some fun ideas to strengthen your family bonds this holiday season include:

Family Game Night

Dust off your board games and enjoy some friendly family competition.

Holiday Movie Marathon

Grab some popcorn and snuggle up on the couch with your favourite holiday movies.

Christmas Craft

Get creative! Homemade personalised ornaments, Christmas cards and festive decorations make for some festive family fun.

Holiday Baking

Whip up delicious Christmas treats or host a gingerbread house making competition.

Volunteer Together

Give back to the community and spread Christmas cheer by volunteering at a local shelter or food bank.

This holiday break, challenge yourself to prioritise quality family time to reflect, laugh, and create lasting memories.

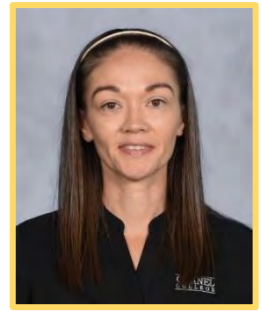

*Best wishes of the Festive Season
to all of our Chanel families.*

INSTRUMENTAL MUSIC

Our Showcase was more than just a night of music; it was a celebration of music excellence, leadership, and a heartfelt farewell to our exceptional Year 12 musicians.

To our departing Year 12 students, thank you for the passion, dedication, and leadership you have brought to our Music Program. You have left an incredible legacy, and we will miss your presence both on and off the stage. As you move forward, we wish you every success and hope you carry the love of music with you always.

Congratulations to all students who received Excellence Awards and to those announced as our 2025 Ensemble Leaders. Your achievements are truly inspiring! A special thank you must also go to our 2024 Ensemble Leaders for their dedication and support throughout the year. Your contributions have been invaluable to the success of our program.

Students Embark on Aquatic Adventure

The Year 11 Aquatic Practice class recently embarked on an aquatic adventure—a guided kayak eco-tour that combined hands-on learning with the beauty of the aquatic world. This experience, run by 1770 Liquid Adventures, was designed to connect students with local ecosystems while promoting environmental awareness and active learning. The students kayaked in Round Hill Creek, 1770.

Students were given an introductory lesson on kayaking techniques and water safety. Once equipped with paddles, life vests, and a great attitude, the group set off on the tour. Firstly, to feed the fish in the marina and then along the mangroves and across to the sand bar. Students were lucky enough to see blue spotted rays, dolphins, pelicans and a variety of fish. They used this experience as an example when writing their own Guide Tour for their recent Internal Assessment 1.

Year 7 Science: Safely Exploring Eclipses

In Year 7 Science, students have been over the moon – literally - learning about the fascinating phenomena of solar and lunar eclipses. As part of their hands-on lesson, under the guidance of teacher Mrs Caroline Paterson, students created their own solar viewers, discovering how they work to help safely observe the sun without damaging their eyes. Students put their cardboard creations to the test outside, carefully positioning their viewers to capture an image of the sun in the viewing window. While it took some practice to get the perfect angle, students showed perseverance and had loads of fun!

Important Eclipse Facts

Solar Eclipse: Occurs when the moon passes between the Earth and the sun, casting a shadow on Earth. Never look directly at the sun during a solar eclipse!

Lunar Eclipse: Happens when the Earth passes between the sun and the moon, casting a shadow on the moon - safe to view without special equipment.

Next Eclipses in Queensland

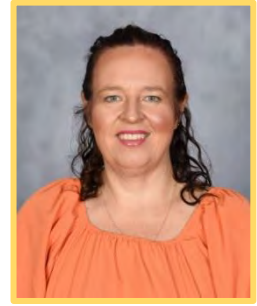

Lunar Eclipse: 14 March 2025 - This will be a total lunar eclipse, providing an excellent opportunity to observe the Earth's shadow fully covering the Moon.

Solar Eclipse: 22 July 2028 – This will be a total solar eclipse and will pass over northern Queensland. Key locations where you can view the eclipse in totality include Cairns, Port Douglas and Atherton Tablelands.

Safe Viewing: Always use solar viewers or special eclipse glasses to view the sun safely. Looking at the sun without protection can cause permanent eye damage.

Chanel College has played host to two major robotics events this month. On 2 November the First Lego League Gladstone Regional Event attracted 22 teams from Gladstone, Rockhampton and Blackwater. Overall winner of the day was St John's. Despite not placing in this event, our Chanel teams demonstrated exceptional professionalism and graciousness, with our Chanel Coyotes finishing 7th and the Chanel Crocs coming in at 9th. Congratulations to our Chanel Chillies team which was honoured with the Peer Award, nominated by other teams for their perseverance and determination.

First Lego League North Nationals

And for the second year running, the College hosted the First Lego League Challenge National Championship North competition on 23 November. The Chanel Crocs and Chanel Coyotes teams joined hundreds of robotics enthusiasts from across Queensland, northern New South Wales and the Northern Territory to compete in the annual event. A total of 43 teams vied for supremacy, with our Chanel Coyotes awarded the honourable Peer Award for their gracious professionalism displayed throughout the event. Well done to the following students who competed on the day:

Chanel Coyotes – Oliver A, Yashna B, Alexander B, Max E, Allyra P, Aarav S, Ava S, Poppy W and Eliana W.

Chanel Crocs – Jonah F, Curtis L, Sebastyen N, Bowie E and Benjamin V.

Robotics Showcase and Awards Night

After another successful year of co-curricular activities, Chanel College recently hosted its Robotics Showcase, Awards, and Sponsorship Presentation. Students, parents, staff and sponsors were invited to this celebration which was also an opportunity for the College to showcase its robotics projects. Co-Curricular Program Leader Ms Tracey Iki presented awards to our regional winners in the DATTA subjects, the National CO2 Dragster Awards, and the National Junior RoboCup Awards. Students also received their Robotics shirts and thanked our amazing sponsors who have supported our students in their endeavours this year.

Sponsor Thank You

The College would like to extend its heartfelt gratitude to our platinum sponsors – Foxheat, Frost Engineering, Yaralla Sports Club and Santos GLNG and gold sponsor NRG – for their generous support in hosting the Regionals and Nationals of the First Lego League at Chanel College.

The commitment and contribution of our valued sponsors make it possible for the College to run these inspiring events, and the College community truly appreciates your partnership in fostering innovation and teamwork among young minds. Thank you for being a vital part of our community!

Chanel to Further its Football Opportunities

Some exciting sporting news has been announced with Chanel College to launch its first football (soccer) team in many years. Chanel will field three teams in the TSS Magic Cup Football Tournament, being hosted by The Southport School on the Gold Coast during the 2025 Easter holidays from 14-17 April. An Open Boys and two Under-14 Boys teams have been selected to compete in the tournament which will provide an exciting opportunity for our students to showcase their talents against esteemed GPS schools and teams from across Australia and New Zealand.

Training has commenced for the three teams under the guidance of coach Mr Ismael Arrarte and manager Mr Rob Paul. This prestigious event will be a major highlight in the 2025 sporting calendar for our 36 students selected to contest the 8th annual event. Stay tuned for further updates in Term 1, 2025!

2025 High School Summer Language Enrichment Program

Institute of Modern Languages

Are you keen to enrich your language knowledge, gain cultural understanding and practice your language skills this summer with like-minded students in an immersive environment?

The 2025 High School Summer Language Enrichment Program at The University of Queensland's Institute of Modern Languages offers a unique opportunity to delve deep into the language you love.

Improve your listening, reading, speaking and writing skills in a dynamic and engaging way by learning from highly experienced

tutors who bring a wealth of knowledge and passion for teaching.

Through interactive lessons and practical exercises, you'll gain the confidence needed to communicate effectively in real-world situations.

Why participate?

Since 2010, over 2,400 students have participated in IML's High School Summer Language Enrichment Program to advance their language skills and cultural understanding.

The 2025 program will run for 1 week in January offering flexible learning - with on campus and online options available for students in Years 11 and 12, and online only for students in Years 9 and 10.

Languages offered

Chinese
French
German
Italian
Japanese
Spanish
Indonesian

Contact iml@uq.edu.au to secure your spot this summer and embrace the adventure of language learning and culture!
